Soft Surface Trail Etiquette

- DON'T USE WET TRAILS**
If you are leaving prints (tire or boot), the trail is too wet to use. When approaching muddy spots, go through the center of the mud to keep the trail narrow.
- STAY ON THE TRAIL**
Do not go off trails, create new trails, or cut switchbacks. Narrow trails mean less environmental impact and happier plant and animal life.
- DON'T BLOCK TRAIL**
Move to the side of the trail when taking a break.
- RESPECT**
Show respect to all user groups and to the environment around you. Pick up your trash and pet waste.
- BE FRIENDLY**
Every user on the trail is there to enjoy the outdoors. Be friendly and expect to see other folks around every corner. And lastly... HAVE FUN!
